## ASHBURN OFFICIALS CELEBRATE GEORGIA CITIES WEEK

Officials announced the city will be celebrating “Georgia Cities Week” April 21-26. The city will hold a variety of events throughout the week, including having residents post their vision for the city on social media platforms using # imagine the possible, story time at Victoria Evans Memorial Library, an exhibition at Holly Gibson Art Gallery, and announcing winners of the coloring contest; just to name a few.

“We’re very proud of our city and the services we provide that make it attractive to residents and visitors,” said Mayor Sandra Lumpkin. Our city provides water, sewer, gas, and propane services to many residents. “Cities provide the services and infrastructure to help businesses grow and set the stage for events where families and individuals can gather as a community.

Cities across Georgia will be celebrating Georgia Cities Week, sponsored by the Georgia Municipal Association (GMA), to showcase and celebrate cities and the many services they provide. Based in Atlanta, GMA is a voluntary, non-profit organization that provides legislative advocacy, educational, employee benefit and consulting services to 537 member cities.
